

**Hoosier Hills NAVHDA
Membership Application**

This chapter serves to educate and assist owners in developing the natural hunting abilities of their versatile hunting companion in south central Indiana and surrounding areas. It is our goal to facilitate positive training sessions that develop handlers and their dogs into a well-trained team in the field, whether testing or hunting. As a chapter, we offer and conduct official training days each month, as well as annual NAVHDA tests as a means of measuring a dog's progress against the NAVHDA International standard. Thank you for your interest and we look forward to seeing you in the field!
